

VOODOO BELFAST // TECHNICAL INFORMATION 2026

9-11 Fountain Street // Belfast // BT1 5EA

HOW TO FIND US:

Voodoo is sometimes tricky to find as we are on a busy pedestrian street. Best approach is from castle street in either direction (see map). Street signs say that you cant turn left or right onto fountain street but its the best and easiest way. Vehicles do it all the time for the purposes of loading/unloading for all the surrounding businesses. There are two parking bays off to the side of the venue but they cannot be reserved as it a pedestrian area. It may be best to drop and go until after 6pm when the bays are usually freely available.
